

## 3-Year Flex Lease

A Great Product Just Got Better.

GIVE YOURSELF OPTIONS...  
BE FLEXIBLE

**N**ow is a good time to consider the flexibility that Ryder's 3-Year Flex Lease provides. With all the same standard comprehensive features of our Full Service Lease, you now have the option to extend for the remaining full term or terminate after 3 years, allowing you to better manage the present needs of your fleet.

**Improve uptime without extended commitments. And have the options to:**

- ▶ Focus on shorter business cycles and reduce longer term obligations
- ▶ Improve your fleet image and driver retention with newer vehicles
- ▶ Better match fleet lease terms to your customer contract terms

**With a 3-Year Flex Lease, you keep all the benefits of a standard Full Service Lease:**

- ▶ Minimize your investment in equipment and improve your return on capital
- ▶ Manage maintenance costs as a more predictable monthly expense
- ▶ Let Ryder handle your licensing, permitting and regulatory compliance needs

### The 3-Year Flex Lease offers:

#### A shorter term

- ▶ A 36-month lease with an option to extend for the remaining full term with financially sound options

#### Full service and comprehensive maintenance

- ▶ The maintenance and service you expect from Ryder's standard Full Service Lease

#### Competitive rates

- ▶ 3-Year Flex Lease rates are lower than many standard three year full service lease rates

#### Rate reduction

- ▶ If you decide to extend the lease for the remaining full term, your monthly rates will be reduced

***Now is an important time for your fleet.***

Now is a good time for a lease product that gives your business flexibility.

## Other ways Ryder helps your business flexibility:

### On the road

- ▶ Competitively priced fuel on-site and at more than 500 locations across the US and Canada
- ▶ Fuel cards accepted at more than 2,500 truck stops, or we can deliver bulk fuel right to your tank.
- ▶ Wash services at Ryder facilities, or via a third party mobile wash service
- ▶ The Ryder Customer Response Center can be reached toll free, 24 hours a day, 7 days a week
- ▶ Our goal is to dispatch a service technician within 15 minutes of your call and be on-site within one hour. In many cases, we return your vehicle to service in only 2 to 4 hours.

### Quickly meet unexpected changes in demand

- ▶ Extensive selection of rental vehicles available by the day, week, month, or longer at discounted prices.
- ▶ With nearly 400 rental offices, we give you the flexibility to handle changing business requirements.

### As your business expands to new markets

No matter where you are, or where your business is heading, Ryder is not far away. Ryder's national network of maintenance, rental and fuel locations will make your business expansion a smoother process.

### Cost control

Controlling maintenance costs means more than just low cost repairs. It also includes the cost of:

- ▶ Vehicle breakdowns
- ▶ Loss of driver time
- ▶ Missed deliveries

To avoid these costs and keep your vehicles available and your customers satisfied, Ryder offers you a comprehensive PM inspection program by OEM trained technicians who service all major engine makes.
