

# Ryder Fleet-Plan

Your fleet keeps the wheels of your business turning. However, owning and maintaining your fleet isn't always the right choice for everyone — or the best use of your resources. That's where Ryder comes in. As a leader in fleet management services, we take care of fleets so that you can focus on taking care of your business. Ryder Fleet-Plan is the solution you need to get on the road to a more efficient fleet today.

## Get the best of all worlds with Ryder Fleet-Plan

With Ryder Fleet-Plan, you get the best of all worlds — an optimized fleet, better use of your resources and improved operational efficiency. All with the benefits of a Ryder Full Service Lease and Ryder Preventive Maintenance. By turning fleet management over to an expert in fleet management services, you can tap into significant improvements in fleet efficiency and cost savings. To simplify the transition, Ryder purchases or facilitates the purchase of your fleet and then manages and maintains it for you. This frees you to:

- Redirect working capital to core areas of your business
- Improve service consistency and quality of your fleet
- Offer your customers consistent, on-time deliveries and better service

- Rely on an extensive network of Ryder repair and maintenance facilities
- Manage maintenance costs as a predictable monthly expense
- Leverage Ryder's buying power to reduce fleet operating costs

## Devote more resources to your core business. Shift your customer focus into high gear.

With Ryder Fleet-Plan, you can devote more resources to your business. You can use the cash you get back to purchase more equipment, invest in inventory, hire people or grow your business. What's more, you experience all the benefits of a Ryder Full Service Lease and Ryder Preventive Maintenance to drive greater overall fleet efficiency and customer service excellence.

## The Ryder Full Service Lease

With a Ryder Full Service Lease, your vehicles are maintained at the highest level. This gives you the reliability you need to keep your customers happy and grow your business. Using Ryder FleetCARE online fleet management, you can access vehicle data — and make more informed decisions anywhere in the country at any time.

## Ryder. Your partner in driving fleet efficiency.

As a fleet management innovator for nearly 80 years, Ryder is the strategic partner you can count on to deliver top-line service with bottom-line savings and one-stop simplicity.

From expert maintenance to full-service outsourcing, Ryder offers you the economies of scale, expertise and technology, service infrastructure and financial strength it takes to run your fleet with greater flexibility, reliability and a lower cost of ownership. We also offer a full range of services to help you drive excellence.
