THE IMPACTS OF CROSS-DOCKING ON YOUR SUPPLY CHAIN

IN A TIME WHEN CONSUMER DEMAND is forcing retailers to get their products to market faster, a growing number of shippers are looking to cross-docking to help reduce the amount of time it takes to process orders and route products. In a survey conducted by Peerless Media sponsored by Ryder, top supply chain executives reveal a focus in cross-docking to speed products to market, with many companies considering using a 3PL for their needs.
