

## Ryder Corporate Fact Sheet

Ryder System, Inc. (NYSE: R) is a \$9.7 billion global logistics and transportation company. Ryder provides supply chain, dedicated transportation, and fleet management solutions to some of the world's most-recognized consumer brands, including the top 10 FORTUNE 500® food and beverage companies in the United States. In fact, in just about every industry, Ryder touches many of the products that consumers have come to rely on every day. Think about the coffee you made this morning, the smartphone in your hand, the clothes you're wearing, the car you drove to work, the laptop on your desk, and even the desk itself. Ryder works behind the scenes to ensure the brands that consumers know and trust will be there when they need them.

Ryder operates three business segments:

**Supply Chain Solutions (SCS)** provides comprehensive supply chain solutions including warehouse management, robotics and advanced automation; distribution; transportation management; e-commerce fulfillment for parcel goods; and last-mile delivery for big-and-bulky.

**Dedicated Transportation Solutions (DTS)** provides customers with the best of Ryder's leasing and maintenance capabilities with the safest and most professional drivers in the industry.

**Fleet Management Solutions (FMS)** provides full-service leasing; contract maintenance; as well as commercial rental of trucks; tractors; and trailers to customers of all sizes and from across virtually every industry.
